Reference: Amended July Quarterly Report 05/24/14-06/30/14

All Citizens for Mississippi registration was submitted to the FEC on May 30, 2014 and we received a notification June 6, 2014 with our identification number and a welcome letter. I was assigned Kaitlin Eger as the analyst to direct questions and concerns. I was told by Ms. Eger that my 1st report need to only include information from the date the FEC recognized us a PAC which I understood to be June 6, 2014.

My initial report filed only included information and transaction dated June 6 and after. After research and inquiry I understood that I needed to amend our 1st report to show all transactions that had taken place before the June 6 date. As a result of this knowledge I amended our 1st report to disclose all activity which included a fundraiser event on May 24, 2014. My inexperience with FEC rules and guidelines is the reason for all the errors and concerns that are been addressed in the correspondent dated December 7, 2014. The following are responses to the 4 items listed:

1. The \$20,577.81 amount was for radio ads that was disseminated on 6/21/14 and paid on 7/2/14. I didn't include it on the original report because my understanding was I needed to file the expense in the quarter it was paid. After investigating I understood that I handle that expense incorrectly and it should have been included in the July report on the Schedule D as well as submit a 24-48 report. I amended the report prior to this notice to correct the error.
2. The missing information on individuals that contributed \$200 was requested from the individuals by indicating to them that 'to comply with federal law, All Citizens for Mississippi must use our best efforts to obtain, maintain and submit the name, mailing address, occupation and name of employer of individual whose contributions exceed \$200 per calendar year' a verbal follow-up was done after the initial contact to get missing information. Amended report is filed with this form to show information collected to date.
3. Receipts on Schedule A Line 11(a)(i) is itemized contribution contributed to the organization in the amount of less than \$200 by various individuals. Terry Fundraiser was contributions received at fundraising event from various individuals. These amount was contributed as cash and checks and I've amended the amounts to shown on Line 11(a)(ii).
4. My inexperience at completing and filing FEC reports was the purpose of failure to file timely 24-48 report. After researching and understanding when and how to file I amended my report to show the correct report and information. I amended and filed the proper 24-48 expenditures and have complied with these regulations. I have a better understanding of the necessary reports and the filing time frame and will have filed timely since this accuracy.
